## ADDITIONS TO PRIZE LIST ARE ANNOUNCED

### By Review Representative

SAANICHTON, July 27th.—The Agricultural Society's prize list is now in the hands of the printer and applications for copies should be sent to Nat Gray, Saanichton, and they will be filled as soon as the prize list comes to hand.

It might be mentioned that the following cups have been added to last year's prize list:

Hon. Dr. S. F. Tolmie, miniature cup to winner of F. W. Tolmie challenge cup.

J. C. Scoby, Esq., cup for best pen of five spring lambs.

Some 21 classes have been added to the prize list, many of these are specials and well worth making an effort to win.

The Mounce Feed Co. of Sidney have inaugurated a prize for capons which should invite interest in this branch of the poultry industry.

Indeed every section of the prize list contains interesting specials and if at all interested send in your request for a copy.

The schools, sports and Highland dancing have also been added to.

In the dancing section the Saanich Pioneer Society is giving a prize to the first and second couple in a set of old-time quadrilles, this should prove an interesting event.

Nat Gray advises everyone to get a copy of the prize list, he says there are classes for every activity of farm, garden and home, and further, this year there is a class in which every competitor who shows gets a prize.

## Clahowya Tillicum!

### ON THE RETURN OF MY FRIEND THE MEADOW-LARK

Clahowya Tillicum? sweet bird,  
Oh boy! I love your lays,  
Gosh, how I missed your cheery voice  
During Winter's dreary days.  
When snow had covered Mother Earth,  
I wondered where you'd go,  
But now you're back, I welcome you,  
My Feathered Radio.

Last Summer—you remember?  
We spent many pleasant hours,  
You "on the air," I listening-in  
Whilst working 'mongst my flowers.  
There perched high on a near-by tree,  
You'd let your music flow,  
And charm me with your melodies,  
My Feathered Radio.

When day had almost breathed it's last—  
And young Night whispered hush!  
I'd hear you in the distance  
Singing sweetly in the bush.  
At break of day next morning—  
Ere the Sun began to glow,  
You'd lull me back to Slumberland,  
My Feathered Radio.

'Tis nice of you to visit me—  
Indeed I think it's swell,  
I dearly love your Nature Songs,  
And Featherly Self, as well.  
I wish that you could follow me,  
Wherever I may go,  
But stick around as long's you can,  
My Feathered Radio.

## THREE TEAMS WILL COMPETE FOR PECK CUP

On Tuesday evening a meeting of representatives from the North Saanich Service Club and Sidney Amateur Athletic Association took place in the Review office to draw up a schedule for the season for football between the teams entered for the Peck Cup, emblematic of the championship of The Islands Electoral district. It was hoped this year to have a number of Islands entries but same failed to materialize and as the season is well advanced it was thought best to draw up the schedule at once. The North Saanich Service Club entered two teams, known as Juniors and Seniors and the Sidney Amateur Athletic Association a team. The following schedule was drawn up with the idea of not conflicting with any other events in the district:

Wednesday, July 3—Sidney plays North Saanich Juniors at North Saanich.

## NORTH SAANICH GOLF CLUB NOTES

—By—  
"THE JIGGER"

ANOTHER APOLOGY IMPENDING  
The London Daily Mail, May 20th:  
"The Prince of Wales played a match  
at Swinley Forest near Ascot with  
William Jones a local postman, both  
having the same handicap, viz.,  
160!"

Some one said there were a lot of  
golfers in New Westminster. Do you  
wonder when this is what they have  
to contend with?—  
"Putting is extremely simple." —  
P. A. Vaile.

"Of all the arts putting is the most  
unteachable." —Bernard Darwin.

"Although putting appears to be  
the simplest thing in golf to the be-  
ginner, he will find out it is the most  
difficult part of the game." —Jerome  
Travers.

"The putt is without doubt the  
easiest stroke to learn." —P. A. Vaile.

Concerning the Use of the Mashie  
"The player must take turf after  
putting the ball." —Mr. Travers.

"It matters very little whether the  
player takes ground with him or not."  
—Simpson Blair.

"The blade is better for being  
deep." —Mr. Travers.

"Better results can be obtained by  
using a mashie with a narrow face."  
—Mr. Travers. And so on!

### ETIQUETTE

Players looking for a lost ball  
should allow other matches coming  
up to pass them; they should signal  
to the players following to pass, and  
having given such signal they should  
not continue their play even in event  
of their finding the ball until these  
players have passed and are out of  
reach.

### RULES

When the balls are in play the ball  
farther from the hole shall be played  
first through the green or in a hazard,  
if a player play when his opponent  
should have played, the opponent may  
at once recall the stroke. A ball so  
recalled shall be dropped as near as  
possible to the place where it lay  
without penalty.

A ball shall be dropped in the fol-  
lowing manner:

The player himself shall drop it.  
He shall face the hole, stand erect,  
and drop the ball behind him over his  
shoulder. The penalty for breach of  
this rule shall be the loss of the hole.  
If in the act of dropping the ball  
touch the player he shall incur no  
penalty, and if it roll into a hazard  
the player may re-drop the ball with-  
out penalty.

If the player's ball move the oppo-  
nent's ball through the green or in a  
hazard the opponent, if he choose,  
may drop a ball without penalty, as  
near as possible to the place where  
his ball lay, but this must be done be-  
fore another stroke is played by  
either side.

## Eagles Trim Sidney— Sidney Wins Exhibition

In a league game on the Royal  
Athletic Park grounds, Victoria, on  
Saturday evening, Sidney dropped a  
13-7 score fixture to the Eagles in  
a battle that was featured by the  
number of errors made by both  
teams. Sidney played one of the best  
games seen in years, allowing no less  
than six runs in one inning on mis-  
takes.

This defeat put the Tillieums back  
at the head of the league again, but  
Tillieums lost to Sons of Canada on  
Monday evening, thereby putting Sid-  
ney back in the lead. Sidney and  
Tillieums meet tomorrow night in the  
city and the winner will hold top  
position in the league. Sidney is all  
primed to at least try and bring home  
the bacon.

Last night on the local baseball  
diamond National Motors of Victoria  
and Sidney staged an exhibition game  
which ended in a 14-5 win for the  
local boys. The contest was witness-  
ed by an enthusiastic crowd of fans,  
the game being fairly even for the  
first part, Sidney pulling up strong in  
the final stretch. The local team en-  
joyed the opportunity of switching  
players around to try out new combi-  
nations and break in players for use  
in various positions.

## STATEMENT RE CEMETERY

To the Editor,  
 Saanich Peninsula and Gulf  
 Islands Review,  
 Sidney, B.C.

Dear Sir:—In view of the misapprehension, which we learn, prevails among the residents of North Saanich, as to the terms upon which the late Mr. Mills deeded the land belonging to Holy Trinity (Anglican) Church situated at Patricia Bay: it may be of interest to the public to know these terms, viz.: "The land was deeded by Mr. Mills to the late Lord Bishop Hills and by him to the Anglican Synod of British Columbia, for the purpose of building a church thereon, for the use of The English Church at North Saanich."

"Part of the site was set aside as a place of burial according to the rites and ceremonies of the Church of England, now the Church of England in Canada."

Any burials, which have taken place in the past, in Holy Trinity Churchyard, of people, other than those of the Anglican Faith, have been by the courtesy of the Anglican Church. Thanking you for the insertion of this letter.

We remain,

Yours faithfully,

R. J. GWYNNE,  
 GUY F. POWNALL,  
 Church Wardens of Holy  
 Trinity, North Saanich.

Sidney, B.C.,  
 June 21st, 1929.

Mrs. J. Robson and her daughter, Mrs. J. Smith, and family, left on the Charmer Saturday for a short holiday.

Mrs. Inglis left for Victoria on Monday.

Mrs. George Maude and family went to Sidney on Monday to meet her sister and children who are coming to visit her from S. Carolina.

The tennis party at Culzean, though not very large at present owing to there not being many young people here yet, was very enjoyable and some very good sets were played. Mrs. Elverson, from Galiano, was the tea-hostess last Thursday.

Mrs. E. Maude has returned from her trip to Vancouver Island.

TIT-BITS from the  
NORTH SAANICH  
SERVICE CLUB

On Saturday evening last only nine tables of 500 were in play at the North Saanich Service Club but, nevertheless, despite the small crowd, a very jolly time was enjoyed by all present.

After refreshments had been served the prizes were awarded to Miss Katie Lorenzen and Mr. George Lloyd, after which dancing furnished the amusement for the remainder of the evening.

It was announced by the president that the annual picnic and sports day of the club would be held on Monday, July 1st, at the North Saanich Schools Ground, Centre Road, and a cordial invitation was extended to all club members and their families to come and participate in the fun.

SIDNEY TENNIS  
CLUB TRIM C.P.R.

Sidney Tennis Club held their monthly picnic after the tennis game at the Chalet on Friday. There were 14 members present and everybody thoroughly enjoyed themselves. On Saturday members played against the C.P.R. on their court, Victoria, in a tournament, the local team winning by two games.

The club are looking forward to a big crowd at the dance July 12th. If you have not already secured your ticket for jardiniere and tennis racket, be sure and do so as these will be drawn for at the dance.

## TROOP

We are gradually getting our camp ground in order and I hope that all the boys will do their share so that we can spend a weekend there very soon.

Our trees in the Memorial Park, with the exception of one, seem to be growing alright, and I want to remind the boys not to forget to keep their tree fixed up.

## PACK

Harold Bull has been chosen as the next Sixer of the Red Six, and will be invested next Friday.

Mr. W. F. White visited the Pack last Friday evening. He is the Cub Commissioner for Seattle and District.

A week from Wednesday the Guides and Scouts are putting on a tea and tennis party at Shore Acres to try and raise funds to complete our hall. We hope that the parents of the Scouts and Guides will all be there and bring their friends to help us out.

PEOPLE ARE FUNNY  
THAT WAY!

It is an extraordinary fact that people who are rigidly careful with Fire in their own homes are utterly reckless with it when out of doors. EIGHTY PERCENT of our Fire Losses last year would have been prevented had people tried to remember that FIRE is an element with which it is NEVER safe to be careless.

## Car Load of Live Muskrats Take Long Trip

1—Freight car that carried the consignment. 2—Large cage on board S.S. Beaverford where the rats had more space and liberty. 3—Specimen of muskrat enjoying a carrot.

There were a thousand of them, all alive and hungry, shipped by Canadian Pacific Express Company from Oak Lake, Manitoba to Hamburg Germany, via Canadian Pacific freighter Beaverford. Pluffy and friendly they went through the long trip away from their native marshes in good shape and were never so tired that they couldn't put away their carrot rations. It took fifty men several weeks to capture the requisite number without damage and by the use of special traps.

Two attendants in charge of the rodents were kept moving twelve hours a day each feeding and watering them. They travelled overland in specially constructed galvanized iron crates netted with wire and with an enclosed trough in each from which fresh water was available. On board the Beaverford, large cages were built as shown above in which the rats had more space to move about.

This shipment which was made recently, constitutes a record for movement of muskrats or any other fur-bearing animal out of Canada overseas.
